

WELCOME TO CAPITOL RIDESHARE!

Capitol Rideshare, the travel reduction program for the State of Arizona, offers a variety of incentives and resources to help state employees share the ride during their daily commute. Staff will work with you to help find the option that best meets your needs. Check out the available options to see what might help you reduce traffic-related stress! Details about all travel reduction program offerings are available at CapitolRideshare.az.gov.

HOW TO REACH US

Capitol Rideshare
Arizona Department of Administration
100 N. 15th Ave., Suite 305
Phoenix, AZ 85007
602.542.RIDE (7433)
RideshareHelp@azdoa.gov

Office hours: 8 a.m. – 5 p.m., Mon – Fri (excluding state holidays)

CAPITOL RIDESHARE

Ride smarter. Breathe easier.

CapitolRideshare.AZ.GOV

PLATINUM PASS TRANSIT SUBSIDY

For state employees who live and work near transit routes, catching the bus or light rail might reduce your commute time and cost! Capitol Rideshare offers a transit subsidy to employees who sign up for the Platinum Pass; there is no fee to apply for the pass. The subsidy reduces the cost of transit usage to state employees. Visit the Capitol Rideshare website to learn more and to download the application.

CARPOOL

Capitol Rideshare offers a preferential Rideshare parking permit to state employees in Maricopa County who carpool three or more days per week. This permit allows parking in reserved Rideshare spaces on the days that you carpool. Just go to the Capitol Rideshare website, complete an online application, and we will send you a permit to your office. Note: one permit is issued per carpool.

VANPOOL

Vanpool may be an option for a larger group of employees (6-15) that live greater distances from their work sites. If you live at least 15 miles away from work, you are eligible to participate in a vanpool. Vanpool riders pay a monthly fee to cover the costs of operating the vehicle (fuel, insurance and maintenance). Capitol Rideshare will pay a monthly subsidy to cover the lease cost for each eligible state employee who participates in a qualifying vanpool. More information is available at the Capitol Rideshare website.

RIDE-MATCHING SERVICES

For employees who are interested in carpooling or vanpooling but don't have a partner, Capitol Rideshare powered by RideAmigos offers a ride-matching service. Employees must use their work email addresses to create an account. Be sure to apply for your preferred parking permit when you have established your carpool (one permit per carpool). For vanpools, be sure to fill out the vanpool subsidy application at CapitolRideshare.az.gov once you have joined a vanpool.

ELECTRIC VEHICLES

For state employees who have invested in electric vehicles (EV) or plug-in hybrid electric vehicles (PHEV), ChargePoint has multiple charging stations at (or near) many state worksites, including properties in the Capitol Mall area. Charging fees vary; fee information and charging station locations are available on the ChargePoint website, www.chargepoint.com. Employees driving zero-emission vehicles at least three times a week are eligible for a Capitol Rideshare parking permit.

BIKING AND WALKING

If you live within a reasonable distance from your work site or transit stop, walking or cycling may be an option for you! The bike-on-transit program allows you to ride a bike to the transit stop, put your bike on the rack mounted on the bus and in the light rail cars and take transit to work. Capitol Rideshare has partnered with GRID Bike Share service to offer state employees a \$30 annual membership! To learn more about these options and available resources, visit the Capitol Rideshare website.

TELEWORK

Telework is a management option that allows qualified state employees to work from home, or a state office location closer to home, one or more days a week. Offering the opportunity to work at home is a management option; telework is not a universal employee benefit. The program is guided by state policy and individual agencies may develop their own sets of policies to meet the needs of the agency.

COMMUTER CLUB

If you use one or more alternate modes at least twice a week (transit, carpool, telework, bike, walk, vanpool, compressed work week), you are eligible for Commuter Club membership powered by RideAmigos. Membership is available to non-university State of Arizona employees in Maricopa County. Benefits include a free emergency ride home from work through Lyft, trip planning options on the RideAmigos dashboard, trip logging to track money and pollution saved, and opportunities to win prizes! State employees can sign up for membership at CapitolRideshare.RideAmigos.com using their work email addresses.

RIDEAMIGOS

Capitol Rideshare has launched an interactive commute solution on the RideAmigos transportation demand management (TDM) platform. State employees can sign up for an account at CapitolRideshare.RideAmigos.com. Employees must use their work email addresses to create an account. Your Capitol Rideshare RideAmigos account unlocks trip planning tools, commute tracking, contests and more! RideAmigos now powers several Capitol Rideshare programs, including Commuter Club, carpool parking and ride-matching services.
